

Australian Business Chamber of Southern Africa

A photograph showing the silhouettes of seven business professionals standing in a modern office with large windows. The scene is lit from behind, creating a strong silhouette effect against the bright light coming through the windows. The floor is highly reflective, mirroring the figures. The overall color palette is a cool blue and teal.

MEMBERS PORTFOLIO

ABCSA members comprise large and medium corporate companies, small businesses and individual memberships. Membership costs are tiered according to the size of the company.

TABLE OF CONTENTS

Introduction to ABCSA	04
Members	06

ABCSA keeps our members informed of news and topical issues through regular communications, networking events and webinars.

INTRODUCTION

The Australian Business Chamber Southern Africa (ABCSA) is an independent Chamber focused on promoting trade and commerce relationships for Australian companies conducting or seeking trade into South Africa and the Southern African Development Community (SADC).

The ABCSA plays an integral role in providing business networking opportunities for existing Australian companies and those seeking new business trade and service opportunities in South Africa and the SADC. The Chamber includes a broad range of industries and seeks to positively engage with its members on an ongoing basis.

Key Industries include Mining and METS (Mining technology, engineering, technical, services), retail, financial, Information Communications Technology (ICT), tourism and property. The ABCSA works collaboratively with Austrade and the Australia High Commission in Pretoria.

MEMBERS

Our membership portfolio includes the following companies featured in this document.

Above Ground

Above Ground Advisory advises prospective and current investors in the mining and oil & gas sectors. We work closely with our clients to help them understand market dynamics, evaluate and assess opportunities and navigate in-country challenges. Our advice is tailored to meet clients' commercial objectives and risk appetite.

AMS Botswana

The company is at the forefront of the mining industry and making significant strides in surface mining services. Due to its commitment to operational excellence, client satisfaction, business's dedication, and innovation just under two years mining the T3 pit, AMS has not only met its contractual expectations, but exceeded expectations, contributing significantly to winning yet another six-year contract, the A4 project, which is still within the Motheo Copper Mine Umbrella.

AMS

AFL South Africa (AFLSA)

AFL South Africa (AFLSA) is a not-for-profit organisation and an official international affiliate of the Australian Football League (AFL). AFLSA's core objective is to foster the grass-roots development of Australian Rules Football as a mass participation program for young boys & girls through township schools. In Australia they call it footy. In South Africa we call it footyWILD.

Australian High Commission

The Australian High Commission is accredited to seven countries in Southern Africa – Angola, Botswana, Lesotho, Mozambique, Namibia, South Africa and eSwatini – as well as the Southern African Development Community (SADC). We work closely with Australian and African businesses and partners in the region to tackle shared challenges and promote two-way trade and investment opportunities. The High Commission is an active member of the ABCSA's Executive Committee.

Australian Government

Department of Foreign Affairs and Trade
